

# CASE STUDY YACHT

## 52m Alia Yachts - Limerence

ICON  
CONNECT

### BRIEF

Full AV/IT and Security system installation for this head-turning project. Built at Alia Yachts in Antalya, Limerence is a true SUV of the yachting world and equipped for a multitude of maritime adventures.

### RESPONSE

Icon Connect supplied a fully integrated suit of systems controlled by our award winning "Icon Control" Interface.

Core Video distribution hardware was Wyrestorm with Audio management was via network Q-Sys from QSC.

The network is based on enterprise grade technologies from Cisco Systems.

### TECHNOLOGIES

- ◆ Wyrestorm HDbT Video Distribution
- ◆ QSC Q-Sys
- ◆ Bowers & Wilkens Speakers
- ◆ Axis CCTV
- ◆ Cisco Network & IP Phone System
